The Vermont Intelligence Center

The Vermont Intelligence Center (VIC) gathers and analyzes criminal and terrorism information from all sources and multi-agency partners to produce and disseminate relevant and actionable intelligence to the Federal, State, County and Local law enforcement and public and private sectors.

The Vermont Intelligence Center (VIC) provides multidisciplinary expertise and situational awareness to inform decision making at all levels of government in order to protect Vermont residents and critical infrastructure from all crimes and terrorism.

GOALS

- Serve as the central point of contact for Federal, State, County and Local law enforcement agencies to assist with information sharing and in the investigation of all major crimes in the State of Vermont.

- Gather and analyze locally generated suspicious activity reporting based on time-sensitive and emerging threats.

- Provide accurate and timely strategic intelligence products and assess state and local implications of potential threats and criminal activity.

- Conduct all activities in a manner that protects the privacy, civil rights, and civil liberties of the citizens of Vermont and the United States of America by strictly adhering to a transparent privacy policy
